Certificate of Destruction

To ensure and to protect customer confidentiality, this is to certify that all data contained within storage drives on goods received by DataMove has been securely destroyed, with no possibility of data recovery.

Data-bearing media is destroyed by degaussing, or by shredding through a certified destruction partner to DIN 66399 (ISO/IEC 21964). The resulting material is recycled in accordance with current WEEE legislation. Destruction certification is available on request.

This certificate covers the job number — **DMD1012**
Source reference ID: **EIS walk**
Specifically in relation to any and all storage devices received from:
Sample Customer Ltd

Job Completion Date: **28 October 2026**

SAMPLE — NOT A CERTIFICATE OF ANY REAL DISPOSAL

DataMove Ltd, registered in England and Wales, company number 06175055, registered office 45 Sea Road, East Preston, West Sussex, BN16 1JN.
